9. **Regular Agenda**
 - A. Proclamation Recognizing Sexual Assault Awareness Month
 - B. Consolidation of Police Department Contracts with Axon Enterprises
 - C. Summary Publication of Ordinance #101 – Resolution #17
 - D. Summary Publication of Ordinance #103 – Resolution #18
 - E. 2026 Joint City-School Projects
 - F. PROTECTS Donation to Police Department – Resolution #19
 - G. Final Pay Request for Wastewater Treatment Facility Improvement Project
 - H. Lead Water Service Line Replacement Project Funding Application – Resolution #20
 - I. Bids for 2026 Street Sealcoat Project – Resolution #21
 - J. Bids for Trail and Turn Lane Projects – Resolution #22
 - K. Stormwater Pollution Prevention Program Update
 - L. Stop Sign Requests – Uncontrolled Intersections
 - M. Establish Agenda for March 31 City Council Work Session
10. **Other Items and Communications**
 - A. Council Items
 - B. Staff Items
11. **Paid Bills and Claims – For Informational Purposes**
 - A. City of Redwood Falls Accounts Payable Summary
12. **Adjournment**

**MINUTES
REGULAR COUNCIL MEETING
CITY OF REDWOOD FALLS, MINNESOTA
TUESDAY, MARCH 3, 2026**

Pursuant to due call and notice thereof, a regular meeting of the Redwood Falls City Council was called to order in the Municipal Chambers on Tuesday, March 3, 2026, at 5:00 p.m.

Roll call indicated Council Members Matt Smith, Denise Kerkhoff, and Shannon Guetter were present, constituting a quorum. Mayor Tom Quackenbush and Council Members Larry Arentson and Jim Sandgren were absent.

Council Member Kerkhoff presided over the meeting.

Also present were City Administrator Keith Muetzel, City Attorney Trenton Dammann, Public Works Project Coordinator Jim Doering, and Deputy City Clerk Caitlin Kodet. Finance Director Kari Klages was absent.

City Administrator Muetzel stated due to Council Member attendance, Staff is requesting to remove Agenda Items 8A: Rezoning Request – Ordinance #101 and 9D: Summary Publication of Ordinance #101 – Resolution #17. The agenda items require a four-fifths majority vote to be approved and will be placed on the agenda for the next Council meeting.

A motion was made by Council Member Smith and seconded by Council Member Guetter to approve the agenda with the removal of Agenda Items 8A: Rezoning Request – Ordinance #101 and 9D: Summary Publication of Ordinance #101 – Resolution #17. Motion passed by unanimous vote.

A motion was made by Council Member Guetter and seconded by Council Member Smith to approve the February 17, 2026, minutes as presented. Motion passed by unanimous vote.

Public Utilities Superintendent Jason Halvorson was present to introduce Resolution No. 14 of 2026 – Authorization to Execute Award of Contract for 2026 Distribution Improvements DGR Project #421128 with APEX Drainage LLC.

Mr. Halvorson stated this project is being completed to bury the overhead distribution system and to enhance reliability to provide power to the existing sections of the City. Eight bids for the project were received, publicly opened and read on Thursday, February 19, 2026, at 1:15 pm. All eight bidders are qualified to complete this project.

Mr. Halvorson stated DGR provided a budget estimate of \$460,000 which was in the 2026 capital budget. DGR reviewed the bids for completeness and mathematical errors and provided a letter of recommendation to award the bid to Apex Drainage LLC of Glyndon, Minnesota in the amount of \$400,468.00.

A motion was made by Council Member Smith and seconded by Council Member Guetter to waive the reading of No. 14 of 2026 –Authorization to Execute Award of Contract for 2026 Distribution Improvements DGR Project #421128 with APEX Drainage LLC. Motion passed by unanimous vote.

A motion was made by Council Member Guetter and seconded by Council Member Smith to approve Resolution No. 14 of 2026 –Authorization to Execute Award of Contract for 2026 Distribution Improvements DGR Project #421128 with APEX Drainage LLC. Motion passed by unanimous vote.

Public Works Project Coordinator Jim Doering introduced Resolution No. 15 of 2026 – Authorization to Execute Task Order No. 2026-2 for Engineering Services for the 2026 Lead Service Replacement Project.

Mr. Doering stated Resolution No. 15 authorizes Task Order No. 2026-2 with Bolton and Menk, Inc. (BMI) to provide a listed scope of services for 2026 Lead Service Line Replacement in the amount not to exceed \$98,700.00 without further Council approval. This resolution also approves the solicitation of bids once the bid documents and specifications are ready for publishing.

Mr. Doering stated the 2026 Lead Service Line Replacement has a budget of \$1,000,000 from a combination of grant and forgivable loan through the Minnesota Department of Health (MDH) and Minnesota Public Facilities Authority (PFA). The \$1,000,000 budget is anticipated to cover the costs of replacing 40 service lines starting in 2026. Currently there are approximately 167 reported services that are either lead or galvanized. It is anticipated to cost over five million dollars to make all 167 replacements. Funding to replace all 167 services is going to be provided in a phased approach over a minimum of 5 years.

A motion was made by Council Member Smith and seconded by Council Member Kerkhoff to waive the reading of Resolution No. 15 of 2026 – Authorization to Execute Task Order No. 2026-2 for Engineering Services for the 2026 Lead Service Replacement Project. Motion passed by unanimous vote.

A motion was made by Council Member Guetter and seconded by Council Member Kerkhoff to approve Resolution No. 15 of 2026 – Authorization to Execute Task Order No. 2026-2 for Engineering Services for the 2026 Lead Service Replacement Project. Motion passed by unanimous vote.

City Administrator Muetzel introduced Resolution No. 16 of 2026 – Authorization to Execute Quote for Aquatic Center Pool Repairs & Cleaning.

Mr. Muetzel stated Resolution No. 16 is to approve the quote and enter into a contract with Global Specialty Contractors, Inc. to repair specific portions of the pool and to clean the entire pool surface. The Redwood Falls Aquatic Center has now been open for 17 seasons and the pool surface (Diamond Brite) has started to crack and flake in certain areas. Once the surface cracks, this allows water to get underneath and cause more serious damage. Overall, the pool surface is in great shape for being 17 years old. If minor repairs can be made now, the pool surface should last another 5-8 years before major renovations are needed.

Mr. Muetzel stated this is specialty work, so it was difficult to find interested contractors. Global Specialty Contractors, Inc. quoted \$81,277.00 while Horizon Pools came in at \$20,788.00. The reason for such a large discrepancy is because Global Specialty will complete all of the repairs that are needed and will also acid wash the surface to brighten up the pool. Horizon Commercial Pools will not complete all the repairs and provided an additional quote for a full resurface. Staff is requesting approval of the quote and to enter into a contract with Global Specialty Contractors, Inc in the amount of \$81,277.00.

A motion was made by Council Member Kerkhoff and seconded by Council Member Guetter to waive the reading of Resolution No. 16 of 2026 – Authorization to Execute Quote for Aquatic Center Pool Repairs & Cleaning. Motion passed by unanimous vote.

A motion was made by Council Member Smith and seconded by Council Member Guetter to approve Resolution No. 16 of 2026 – Authorization to Execute Quote for Aquatic Center Pool Repairs & Cleaning. Motion passed by unanimous vote.

City Attorney Dammann introduced Ordinance No. 102, Fourth Series – An Ordinance Adopting Redwood Falls Code of Ordinances §2.86 – Establishing Fees for Emergency Fire Protection Fire Services.

City Attorney Dammann stated City Staff is proposing changes to the City Code of Ordinances for the purpose of authorizing the City of Redwood Falls to charge for fire service as authorized by Minn. Stat. §§ 366.011, 366.012, and 415.01. Pursuant to Minn. Stat. § 415.01, a city may exercise the power under sections 366.011 and 366.012 relating to charges for emergency services only if the city adopts an ordinance authorizing the manner and amount of charging for those services. This addition to city code will also allow the city to certify unpaid service charges to the county auditor. Minnesota Statute requires the proposed Ordinance language be in the City's Code of Ordinances and not just be approved by a Resolution, as the City has previously done.

City Administrator Muetzel stated the City previously approved the emergency fire service fees by Resolution each year as proposed in the Fee Schedule. Fire calls made to residences or businesses within the City are not billed for fire calls as that is covered through the property tax levy. Fire calls outside City-limits as well as vehicle fires and false alarms will continue to be billed in accordance with the fee schedule. The proposed Ordinance formally establishes the process and the ability to assess unpaid fees to the property.

City Attorney Dammann stated the only action required at tonight's meeting is either the reading of the ordinance or approval of a motion to waive the reading of the ordinance. City Staff will provide the required 10-day notice of the Ordinance prior to final approval of the proposed ordinance. On March 17, 2026, City Staff will request Council approve the proposed ordinance by roll call vote in accordance with Chapter 4 of the City Charter.

A motion was made by Council Member Guetter and seconded by Council Member Smith to waive the reading of Ordinance No. 102, Fourth Series – An Ordinance Adopting Redwood Falls Code of Ordinances §2.86 – Establishing Fees for Emergency Fire Protection Fire Services. Motion passed by unanimous vote.

City Attorney Dammann introduced Ordinance No. 103, Fourth Series – An Ordinance Amending Redwood Falls Code of Ordinances §3.40 Pertaining to Rules and Regulations Relating to Sewerage Use.

City Attorney Dammann stated City Staff is proposing changes to §3.40 of the City Code of Ordinances for the purpose of adding clarity to what constitutes a private sewer connection and its limits versus the public sanitary sewer and the responsibility for maintenance respectively under §3.40, Section 2. Subd. 2, E.

Public Works Project Coordinator Doering stated the addition of §3.40, Section 2. Subd. 2, F requires owners to contact the wastewater department as soon as they notice slow drainage or backups so that the public sewer can be verified as operational or be cleared to help alleviate the problem. This will help avoid unnecessary costs to the property owner from seeking plumbing services only to determine that there is an issue in the public sewer main and not the private sewer service.

City Attorney Dammann stated the only action required at tonight's meeting is either the reading of the ordinance or approval of a motion to waive the reading of the ordinance. City Staff will provide the required 10-day notice of the Ordinance prior to final approval of the proposed ordinance. On March 17, 2026, City staff will request Council approve the proposed ordinance by roll call vote in accordance with Chapter 4 of the City Charter.

A motion was made by Council Member Smith and seconded by Council Member Kerkhoff to waive the reading of Ordinance No. 103, Fourth Series – An Ordinance Amending Redwood Falls Code of Ordinances §3.40 Pertaining to Rules and Regulations Relating to Sewerage Use. Motion passed by unanimous vote.

Public Works Project Coordinator Jim Doering introduced the 2026 Archery Deer Hunt.

Mr. Doering stated the 2025 Archery Deer Hunt Committee met on February 26, 2026, to review the 2025 results and program policies. Committee and Staff recommend approval of the 2026 hunt application to the DNR with no changes to the previous year's provisions. The 2026 hunt application provisions include: set the 2026 fees at \$20.00 for the application fee and \$40.00 for the hunting fee; 20 participants selected by a minimum proficiency test and lottery draw; a 10-hour minimum in-stand expectation to qualify to participate in the following year (exemption for those who harvested a deer); Double Earn A Buck, 20 hunters with a maximum bag limit of 40; season to coincide with the full archery season September 19 – December 31; discretion for the Deer Hunt Coordinator and City Staff to replace a participant if they drop out during the hunting season due to unforeseen circumstances; and continue with Hunt Coordinator, Tyler Stage.

Mr. Doering stated the Deer Hunt Committee recommended a couple changes to the program policies. Due to the decline in applications and the number of hunters below the 10-hour minimum in 2025, it was decided to waive the 10-hour minimum rule for 2026. The Committee recommended the 2026 application provide a warning and emphasize the 10-hour minimum. The Committee also recommended submitting the hunt information to the Sportsman's Club for advertising and working with the Redwood Falls Golf Club to provide additional late season stand options.

A motion was made by Council Member Smith and seconded by Council Member Kerkhoff to approve the 2026 Archery Deer Hunt. Motion passed by unanimous vote.

Council Member Smith requested an update regarding the code enforcement violations at the property located on West Bridge Street.

City Attorney Dammann stated some of the requests to the property owner have been completed. City Staff is continuing to work with the homeowner to resolve the property violations.

City Administrator Muetzel stated City Staff are continuing to focus on removing nuisance trees from public property and boulevards.

Council Member Kerkhoff commented on the proposed plan to bring Highland cattle to the Ramsey Park Zoo.

City Administrator Muetzel stated due to recent changes to deer farm regulations it has become more difficult to source deer for the zoo. Approximately half of the deer farms in the state have closed due to increased regulations. There is currently one doe in the zoo and the City no longer has a local option to source more deer for the park zoo. The Parks and Recreation Department will not be replacing the deer in the zoo and the department is exploring the option of stocking the former deer pen with four Highland cattle. The cattle would be owned by the farmer providing them and the City would provide care and feed for the animals while in the zoo.

Bills and Claims were presented to the Council for informational purposes. No questions, comments or concerns were raised.

There being no further business, a motion was made by Council Member Smith and seconded by Council Member Guetter to adjourn the meeting at 5:32 p.m. Motion passed by unanimous vote.

AGENDA RECOMMENDATION

Council Meeting Date: March 17th, 2026

Agenda Item: RACC HVAC Control System Upgrade/Replacement

Recommendation/Action Requested: Approve Replacement of HVAC Control Panel

Summary/Overview:

The 2026 Park and Recreation Capital Improvement budget included upgrading our HVAC (heating, ventilation, and air conditioning) Control System, VAV (Variable Air Volume – energy efficient HVAC technology used to control temperature), and Rooftop Unit Controls.

As you can see in the quote, many aspects of our control system are obsolete and in need of an upgrade. The RACC currently holds a Mechanical & Automation Customer Support Agreement with NAC Mechanical & Electrical Services. This agreement includes quarterly preventative maintenance visits and facility monitoring. Due in part to this agreement, NAC is our preferred vendor to complete this project.

Attached you will find a quote from NAC Mechanical & Electrical Services in the amount of \$61,978.00. Staff is recommending approval of the quote.

NAC Replacement Quote

February 9th, 2026

Ross Nachreiner

Project: Redwood Area Community Center Control System Upgrade
901 Cook Street
Redwood Falls, MN 56283

Project Scope:

NAC is pleased to offer the following pricing for the above-referenced project. NAC's pricing is based on the information provided and a site visit walkthrough.

Control System, VAV and Rooftop Unit Controls Upgrade (13 VAV and 7 Rooftop/Misc. Controllers)

- Provision and installation of a new Niagara 9000 web-based controller to replace the existing obsolete legacy controller.
- Pricing includes (5) year software maintenance for software upgrades to keep the Niagara 9000 controller at the current level. This does not include the labor to install updates on future releases.
- We will work with IT staff on the installation and set-up of the new controller and changing the IP addresses if needed.
- Setting up of the new Web-start icon on the customer workstations for system access.
- Checkout and verification of the system operation after completion of the upgrade.
- Upgrading of all the existing field level controllers to the current version of software.
- Upgrading the software will remove the issues with Java updates, enhance security features, improve system performance and speed up the overall system.
- Provision and installation of (13) new electronic CVM controllers to replace the existing obsolete legacy VAV controllers. The new CVM controllers will monitor and control the existing VAV boxes.
- Provision of (13) discharge air and (13) space temperature sensors for monitor and control of the existing VAV boxes.
- Provision and installation of (7) new electronic CGM controllers to replace the existing obsolete legacy UNT controllers. The new CGM controllers will monitor and control the existing rooftop units (RTU's) and miscellaneous controllers. We will reuse the existing field devices like sensors, actuators, etc.
- Programming and check out of the above listed points into the existing building automation system.
- As-built control drawings after completion of the upgrade.

Pricing to provide the above scope of work:

\$61,978.00 (Sixty-One Thousand Nine Hundred Seventy-Eight and no/Hundred Dollars)

Included in our proposal

- Work to be completed during normal business day hours.

Not included in our proposal

- Static IP address, Ethernet connections or computer for accessing the system.
- Labor or materials to repair or replace any additional defective items not working.

AGENDA MEMO

Meeting Date: March 17, 2026

Agenda Item: Ordinance No. 101 – An Ordinance Amending Zoning Ordinance

Recommendation/Action Requested: The proposed ordinance was introduced at the February 17, 2026, City Council Meeting. At tonight’s meeting, staff is requesting Council approve the ordinance by motion and roll call vote in accordance with Chapter 4 of the City Charter.

Summary/Overview: The City is proposing to rezone from R-2 to R-R the properties described as 1003 W. Oak Street (Parcel #88-002-4010), Parcel #88-002-4020, Parcel #88-002-4050, and Parcel #88-002-4060. A map is included of the requested properties.

The City received a request from Randy Juell to rezone two parcels that he recently purchased in order to have a small hobby farm (as allowed by City Ordinance) and construct a single-family home. After City Staff reviewed the request, Staff identified two additional parcels located on either side of Mr. Juell’s property, that would also need to be rezoned.

Due to the size and location of the parcels as well as the current and proposed use, all four requested parcels would best fit the R-R zoning designation. The combined acreage of Mr. Juell’s two parcels (88-002-4050, 88-002-4020) is approximately 7 acres. The parcel to the west of Mr. Juell’s, owned by Scott Hammerschmidt, 1003 W. Oak St. (88-002-4010) is 5.6 acres in size and currently has a single-family home with multiple accessory structures. Lastly, the parcel owned by Jeanne Palmer (88-002-4060) is 8 acres of vacant land.

City staff has reviewed the request and feels that the proposed request provides a more appropriate zoning designation and aligns with the current and proposed uses of the parcels.

The request to re-zone the property was presented to the Planning and Zoning Commission on February 10, 2026. The Planning and Zoning Commission, along with City staff, recommend approval of the re-zone and Amendment of the Zoning Ordinance.

State law requires that all ordinances adopted be published prior to becoming effective. As Council is aware, Ordinance No. 101, Fourth Series is lengthy. However, Minnesota Statutes, Section 412.191, subd. 4, allows publication by title and summary in the case of lengthy ordinances or those containing charts or maps. Staff have prepared Resolution No. 17 of 2026 and Exhibit A, which contains the summary of Ordinance No. 101 for publication as a separate agenda item.

Attachment: Ordinance No. 101 – An Ordinance Amending Zoning Ordinance
Map of Property Re-Zone

ORDINANCE NO. 101, FOURTH SERIES

AN ORDINANCE AMENDING ZONING ORDINANCE

THE CITY COUNCIL OF REDWOOD FALLS DOES ORDAIN:

SECTION 1. That after a public hearing and review of all the evidence pertaining to the request to re-zone certain real property as referenced in Section 2, the City Council of the City of Redwood Falls makes the following:

FINDINGS OF FACT

1. The amendment is consistent with the applicable policies of the City's Comprehensive and Land Use Plan.
2. The amendment proposes to change the zoning classification of particular properties.
3. The amendment is in the best interest of the public as it promotes orderly development and is not solely for the benefit of a single property owner.
4. The existing uses of property and the zoning classification of property within the general area of the property in question are compatible with the proposed zoning classification.
5. There are reasonable uses of the properties in question permitted under the existing zoning classification of R-2.
6. There has been a change in the character or trend of development in the general area of the properties in question, which has taken place since such properties were placed in their present zoning classification.

SECTION 2. That the following described real estate lying and being in the City of Redwood Falls, Redwood County, Minnesota, to-wit:

See EXHIBIT "A" attached hereto;

AND

See EXHIBIT "B" attached hereto;

AND

All that part of the SE $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 2, Township 112 North, Range 36 West, described as follows: Commencing at the Northeast corner of the SE $\frac{1}{4}$ SE $\frac{1}{4}$ of said Section 2, thence West 1320 feet to the Northwest corner of the SE $\frac{1}{4}$ SE $\frac{1}{4}$ of said Section

2, thence South 511 feet to the center line of the Redwood River, thence Northeasterly along the center line of said river to its intersection with the East section line, thence North on the East section line 241 feet to the place of beginning, containing 8 acres, more or less;

now classified as “R-2, Single and Two Family Residential District,” be changed to “R-R, Rural Residential District.”

SECTION 3. That the Zoning Administrator is hereby directed to change the zoning map referred to in Section 6.03 of Chapter 6 of the Unified Development Ordinance in accordance herewith.

SECTION 4. This Ordinance becomes effective from and after its passage and publication.

PASSED AND ADOPTED by the City Council of the City of Redwood Falls, Minnesota this 17th day of March, 2026.

AGENDA MEMO

Meeting Date: March 17, 2026

Agenda Item: Ordinance No. 102, Fourth Series – An Ordinance Adopting Redwood Falls Code of Ordinances §2.86 – Establishing Fees for Emergency Fire Protection Fire Services

Recommendation/Action Requested: The proposed ordinance was introduced at the March 3, 2026, City Council Meeting. At tonight's meeting, staff is requesting Council approve the ordinance by motion and roll call vote in accordance with Chapter 4 of the City Charter.

Summary/Overview: Staff is proposing changes to the City Code of Ordinances for the purpose of authorizing the City of Redwood Falls to charge for fire service as authorized by Minn. Stat. §§ 366.011, 366.012, and 415.01.

Pursuant to Minn. Stat. § 415.01, a city may exercise the power under sections 366.011 and 366.012 relating to charges for emergency services only if the city adopts an ordinance authorizing the manner and amount of charging for those services. This addition to city code will also allow the city to certify unpaid service charges to the county auditor.

City Staff have provided the required 10-day notice of the ordinance prior to final approval of the proposed ordinance.

A separate resolution and summary for approval to publish will not be required as the Ordinance is rather short and can be published as-is.

Attachment: Ordinance No. 102, Fourth Series

ORDINANCE NO. 102, FOURTH SERIES

AN ORDINANCE ADOPTING REDWOOD FALLS CODE OF ORDINANCES §2.86 – ESTABLISHING FEES FOR EMERGENCY FIRE PROTECTION FIRE SERVICES

WHEREAS, This ordinance is adopted for the purpose of authorizing the City of Redwood Falls to charge for fire service as authorized by Minn. Stat. §§ 366.011, 366.012, and 415.01.

NOW THEREFORE, THE CITY OF REDWOOD FALLS DOES ORDAIN:

SECTION 1. That Redwood Falls City Code of Ordinances §2.86 shall be adopted by adding and inserting the following provisions, in their entirety:

§ 2.86 ESTABLISHMENT OF FEES FOR EMERGENCY FIRE PROTECTION FIRE SERVICES

Subd. 1. Definitions.

A. “Fire service” means any deployment of firefighting personnel and/or equipment to extinguish a fire or perform any preventative measure in an effort to protect equipment, life, or property in an area threatened by fire. It also includes the deployment of firefighting personnel and/or equipment to provide fire suppression, rescue, extrication, and any other services related to fire and rescue as may occasionally occur.

B. “Fire service charge” means the charge imposed by the City for receiving fire service.

C. “Motor vehicle” means any self-propelled vehicle designed and originally manufactured to operate primarily upon public roads and highways, and not operated exclusively upon railroad tracks. It includes semi-trailers. It does not include snowmobiles, manufactured homes, all-terrain vehicles, or park trailers.

D. “Fire protection contract” means a contract between the City and a town or other city for the City to provide fire service.

E. “Mutual aid agreement” means an agreement between the City and a town or other city for the City’s fire department to provide assistance to the fire department of a town or other city.

Subd. 2. Parties Affected.

A. Owners of property within the City who receive fire service.

B. Anyone who receives fire service as a result of a motor vehicle accident or fire within the City.

C. Owners of property in towns or cities to which the City provides fire service pursuant to a fire protection contract.

Subd. 3. Rates.

The City Council shall adopt by resolution a fee schedule listing rates for fire service charges for emergency protection fire services. The fee schedule may be amended from time to time.

Subd. 4. Billing and Collection.

A. Parties requesting and receiving fire services will be billed directly by the City of Redwood Falls within 30 days of the fire service. Additionally, if the party receiving fire services did not request services but a fire or other situation exists which, at the discretion of the fire department personnel in charge requires fire service, the party will be charged and billed. All parties will be billed whether or not the fire service is covered by insurance. Any billable amount of the fire charge not covered by a party's insurance remains a debt of the party receiving the fire service.

B. Parties billed for fire service will have 30 days to pay. If the fire service charge is not paid by that time, it will be considered delinquent, and the City will send a notice of delinquency.

C. If the fire service charge remains unpaid for 30 days after the notice of delinquency is sent, the City will use all practical and reasonable legal means to collect the fire service charge. The party receiving fire service shall be liable for all collection costs incurred by the City including, but not limited to, reasonable attorney fees and court costs.

D. If the fire service charge remains unpaid for 30 days after the notice of delinquency is sent, the City Council may also, on or before October 15 of each year, certify the unpaid fire service charge to the county auditor in which the recipient of the services owns real property for collection with taxes. The county auditor is responsible for remitting to the city all charges collected on behalf of the city. The City must give the property owner notice of its intent to certify the unpaid fire service charge by September 15.

E. False alarms will be billed according to the adopted fee schedule.

Subd. 5. Mutual Aid Agreements.

When the City fire department provides fire service to another fire department pursuant to a Mutual Aid Agreement, the billing will be determined by the Mutual Aid Agreement.

Subd. 6. Billing Procedure for Fire Protection Contracts with Towns or Other Cities.

When the City fire department provides fire service to another fire department pursuant to a Fire Protection Contract, the billing will be determined by the Contract.

Subd. 7. Application of Collections to Budget

All collected fire charges will be city funds and used to offset the expenses of the City fire department in providing fire services.

SECTION 2. Effective Date. This Ordinance becomes effective from and after its passage.

PASSED AND ADOPTED by the City Council of the City of Redwood Falls, Minnesota this 17th day of March, 2026.

AGENDA MEMO

Meeting Date: March 17, 2026

Agenda Item: Ordinance No. 103, Fourth Series – An Ordinance Amending Redwood Falls Code of Ordinances §3.40 Pertaining to Rules and Regulations Relating to Sewerage Use.

Recommendation/Action Requested: The proposed ordinance was introduced at the March 3, 2026, City Council Meeting. At tonight's meeting, staff is requesting Council approve the ordinance by motion and roll call vote in accordance with Chapter 4 of the City Charter.

Summary/Overview: Staff is proposing changes to §3.40 of the City Code of Ordinances for the purpose of adding clarity to what constitutes a private sewer connection and its limits versus the public sanitary sewer and the responsibility for the maintenance respectively under §3.40, Section 2. Subd. 2, E.

The addition of §3.40, Section 2. Subd. 2, F requires owners to contact the wastewater department as soon as they notice slow drainage or backups so that the public sewer can be verified as operational or be cleared to help alleviate the problem. This will help avoid unnecessary costs to the property owner from seeking plumbing services only to determine that there is an issue in the public sewer main and not the private sewer service.

State law requires that all ordinances adopted be published prior to becoming effective. As Council is aware, Ordinance No. 103, Fourth Series is lengthy. However, Minnesota Statutes, Section 412.191, subd. 4, allows publication by title and summary in the case of lengthy ordinances or those containing charts or maps. Staff have prepared Resolution No. 18 of 2026 and Exhibit A, which contains the summary of Ordinance No. 103 for publication as a separate agenda item.

Attachment: Ordinance No. 103, Fourth Series

ORDINANCE NO. 103, FOURTH SERIES

**AN ORDINANCE AMENDING
THE REDWOOD FALLS CODE OF ORDINANCES § 3.40
PERTAINING TO RULES AND REGULATIONS RELATING TO SEWERAGE USE**

FINDINGS AND PURPOSE:

WHEREAS, on July 13, 1988 the City Council of the City of Redwood Falls, Minnesota Passed and Adopted Ordinance No. 136, Second Series, Titled "SEWER USE ORDINANCE" regulating the use of public and private sewers and drains, private wastewater disposal, the installation and connection of sanitary and building sewers, and the discharge of waters and wastes into the public sewer system, and providing penalties for violations thereof; and

WHEREAS, the regulations created by Ordinance No. 136, Second Series, are currently found in Chapter 3, § 3.40 of the Redwood Falls City Code of Ordinances; and

WHEREAS, the City Council finds it appropriate and necessary to amend § 3.40 Subdivisons 1 and 2 of the Redwood Falls City Code of Ordinances, to clarify what constitutes a private sewer connection and its limits versus the public sanitary sewer and the responsibility for maintenance respectively as well as to institute a reporting requirement for slow drainage or backups that will help property owners avoid unnecessary costs associated with maintenance of private sewer services.

NOW THEREFORE, THE CITY OF REDWOOD FALLS DOES ORDAIN:

SECTION 1. That Redwood Falls City Code of Ordinances, Chapter 3, § 3.40, Subd. 1, shall be amended by amending and inserting the following provisions, in their entirety, in lieu thereof:

Subd. 1. *Definitions.* The following term, as used in this section, shall have the meanings stated.

A. The term "biochemical oxygen demand (BOD)" means the quantity of oxygen utilized in the biochemical oxidation of organic matter under standard laboratory procedure in five days at 20°C in terms of milligrams per liter.

B. The term "building drain" means that part of the lowest horizontal piping of a drainage system which receives the discharge from soil, waste and other drainage pipes inside the walls of the building and conveys it to the building sewer, beginning five feet (1.5 meters) outside the inner face of the building wall.

C. The term "building sewer" means the extension from the building drain to the public sewer or other place of disposal, also called "house connection". It shall include septic tank and sewer lead.

D. The term "combined sewer" means a sewer intended to receive both wastewater and storm or surface water.

E. The term "easement" means an acquired legal right for the specific use of land owned by others.

F. The term "floatable oil" means oil, fat or grease in a physical state such that it will separate by gravity from wastewater by treatment in an approved pretreatment facility. A wastewater shall be considered free of floatable fat if it is properly pretreated and the wastewater does not interfere with the collection system.

G. The term "garbage" means the animal and vegetable waste resulting from the handling, preparation, cooking and serving of foods.

H. The term "Hearing Board" means that Board appointed according to provisions of this section.

I. The term "industrial wastes" means any liquid, gaseous or solid waste substance resulting from any process of industry, manufacturing trade or business or from the development of any natural resource.

J. The term "infiltration" means water entering the sewage system (including building drains and pipes) from the ground through such means as defective pipes, pipe joints, connections and manhole walls.

K. The term "infiltration/inflow (I/I)" means the total quantity of water from both infiltration and inflow.

L. The term "inflow" means water other than wastewater that enters a sewer system (including building drains) from sources such as, but not limited to, roof leaders, cellar drains, yard and area drains, foundation drains, drains from springs and swampy areas, manhole covers, cross-connections from storm sewers, catch basins, surface run-off, street wash waters or drainage.

M. The term "National Pollutant Discharge Elimination System (NPDES) permit" means a permit issued by the U.S. Environmental Protection Agency (EPA), setting limits on pollutants that a permittee may legally discharge into navigable waters of the United States pursuant to the Federal Water Pollution Control Act, §§ 402 and 405.

N. The term "natural outlet" means any outlet, including storm sewers and combined sewer overflows, into a watercourse, pond, ditch, lake or other body of surface or ground water.

O. The term "normal domestic strength wastes" means wastewater derived from non-industrial sources which contain not more than 200 mg/l biochemical oxygen demand and 250 mg/l suspended solids.

P. The term "pH" means the logarithm of the reciprocal of the hydrogen concentration. The concentration is the weight of hydrogen ions, in grams, per liter of solution. Neutral water, for example, has a pH value of seven and a hydrogen-ion concentration of ten to seven.

Q. The term “private sewer service” means the entire sewer connection from all houses, buildings, or properties used for human occupancy from the building to the public sewer including the building drain and building sewer to the point of connection to the public sewer.

R.Q. The term "properly shredded garbage" means the wastes from the preparation, cooking and dispensing of food that have been shredded to such a degree that all particles will be carried freely under the flow conditions normally prevailing in public sewers.

S.R. The term "public sewer" means a common sewer controlled by a governmental agency or public utility.

T.S. The term "sanitary sewer" means a sewer that carries liquid- and water-carried wastes from residences, commercial buildings, industrial plants and institutions together with minor quantities of ground, storm and surface waters that are not admitted intentionally.

U.T. The term "septic tank" means a structure designed to settle out heavier solids from the wastewater before entering the sewer.

V.U. The term "sewage" means the spent water of a community. The preferred term is "wastewater".

W.V. The term "sewer" means a pipe or conduit that carries wastewater or drainage water.

X.W. The term "slug" means any discharge of water or wastewater which in concentration of any given constituent or in quantity of flow exceeds for any period of duration longer than 15 minutes, more than five times the average 24-hour concentration of flows during normal operation and shall adversely affect the collection and/or performance of the wastewater treatment works.

Y.X. The term "state disposal system (SDS) permit" means any permit including any terms, conditions and requirements thereof issued by the Minnesota Pollution Control Agency (MPCA) pursuant to M.S. § 115.07, as amended from time to time, for a disposal system as defined by M.S. § 115.01(5), as amended from time to time.

Z.Y. The term "storm drain (sometimes termed storm sewer)" means a drain or sewer for conveying water, ground water, subsurface water or unpolluted water from any source.

AA.Z. The term "Superintendent" means the Superintendent of wastewater facilities, and/or of wastewater treatment works, and/or of water pollution control of the city or his or her authorized deputy, agent or representative.

BB.AA. The term "suspended solids" means the total suspended matter that either floats on the surface of, or is in suspension in water, wastewater or other liquids, and is removable by laboratory filtering as prescribed in Standard Methods for the Examination of Water and Wastewater and referred to as nonfilterable residue.

~~CC.~~ ~~BB.~~ The term "unpolluted water" means water of quality equal to or better than the effluent criteria in effect, or water that would not cause violation of receiving water quality standards, and would not be benefitted by discharge to the sanitary sewers and wastewater treatment facilities. (See "non-contact cooling water".)

~~DD.~~ ~~CC.~~ The term "wastewater" means the spent water of a community. From the standpoint of source, it may be a combination of the liquid- and water-carried wastes from residences, commercial buildings, industrial plants and institutions, together with any ground water, surface water and storm water that may be present.

~~EE.~~ ~~DD.~~ The term "wastewater facilities" means the structures, equipment and processes required to collect, carry away and treat domestic and industrial wastes and dispose of the effluent.

~~FF.~~ ~~EE.~~ The term "wastewater treatment works" means an arrangement of devices and structures for treating wastewater, industrial wastes and sludge. Sometimes used as synonymous with "waste treatment plant", "wastewater treatment plant" or "water pollution control plant".

~~GG.~~ ~~FF.~~ The term "watercourse" means a natural or artificial channel for the passage of water, either continuously or intermittently.

SECTION 2. That Redwood Falls City Code of Ordinances, Chapter 3, § 3.40, Subd. 2, shall be amended by amending and inserting the following provisions, in their entirety, in lieu thereof:

Subd. 2. Use of Public Sewers Required.

A. It is unlawful for any person to place, deposit or permit to be deposited in any unsanitary manner on public or private property within the city, or in any area under its jurisdiction, any human or animal excrement, garbage or objectionable waste.

B. It is unlawful for any person to discharge to any natural outlet within the city or in any area under the jurisdiction of the city, any sewage or other polluted waters except where suitable treatment has been provided in accordance with subsequent provisions of this section.

C. Except as hereinafter provided, it is unlawful for any person to construct or maintain any privy, privy vault, cesspool or other facility intended or used for the disposal of wastewater.

D. The owner of all houses, buildings or properties used for human occupancy, employment, recreation or other purposes, situated within the city and abutting on any street, alley or right-of-way in which there is now located, or may in the future be located, a public sanitary or combined sewer of the city, is hereby required at the owner's expense to install suitable toilet facilities. If such a sewer is available, the owner shall connect the facilities directly with the proper public sewer in accordance with the provisions of this section, within 60 days after date of official notice to do so; provided that, the public sewer is within 200 feet (61 meters) of the property line.

E. The owner of all houses, buildings or properties used for human occupancy, employment, recreation or other purposes, situated within the city and abutting on any street, alley or right-of-way in which there is now located, or may in the future be located, a public sanitary or combined sewer of the city, is hereby required at the owner's expense to maintain the private sewer service free of defects, leakage, root intrusion and or clean water intrusion until the requirements found in Subdivision D of this Section are no longer applicable and the private sewer service is properly plugged or removed.

F. When the owner determines that maintenance is needed on the private sewer service due to back flow or slow drainage, the owner shall contact the Superintendent to confirm the public sewer is functioning properly, prior to performing maintenance on the private sewer service.

SECTION 3. Effective Date. This Ordinance becomes effective from and after its passage.

PASSED AND ADOPTED by the City Council of the City of Redwood Falls, Minnesota this 17th day of March, 2026.

Sexual Assault Awareness Month

Proclamation

April 2026

April marks **Sexual Assault Awareness Month (SAAM)** – a time to honor 25 years of progress and recommit to creating safer communities for all. This year's theme, "**25 Years Strong: Looking Back, Moving Forward,**" celebrates the resilience of survivors and the communities that have worked for change.

For 25 years, SAAM has supported survivors, raised awareness, and inspired action to prevent sexual assault, abuse, and harassment. As we reflect on how far we have come, we also recognize the work that lies ahead.

Prevention starts with all of us. It is in how we support one another, practice consent, and create spaces rooted in care and respect. When we act with intention, we move closer to a future free from violence.

We honor the survivors who have shared their stories and the advocates who have led the way. Their courage reminds us that prevention is possible and that each of us has a role to play.

As we look to the next 25 years, we renew our commitment to building a future free from sexual violence. Together, we can continue to strengthen prevention, support healing, and create communities where everyone feels safe and valued.

Statistics show:

- Most women and men across all sexual identities who experienced contact sexual violence reported that the person who harmed them was someone they knew (Chen, et al., 2023).
- Over 53% of women and over 29% of men reported experiencing contact sexual violence (Chen, et al., 2023).
- 1 in 5 male victims reported only male perpetrators, 1 in 2 had only female perpetrators, and about 1 in 6 had both male and female perpetrators (Chen, et al., 2023).
- More than 1 and 4 non-Hispanic Black women (29%) in the United States were raped in their lifetime (Basile et al., 2022).
- 1 in 3 Hispanic women (34.8%) reported unwanted sexual contact in their lifetime (Basile et al., 2022).

- More than 4 in 5 American Indian and Alaska Native women (84.3%) have experienced violence in their lifetime (Rosay, 2016).
- 32.9% of adults with intellectual disabilities have experienced sexual violence (Tomsa et al., 2021).
- 47% of all transgender people have been sexually assaulted at some point in their lives (James et al., 2016).

25 years strong. Every voice matters. Every action counts. By standing in solidarity, we can build a future free from sexual violence and create a world where everyone is safe, valued, and respected.

Agenda Recommendation

Agenda Item: Consolidation of Axon Contracts

Recommendation/Action Requested: Staff Recommends Approval of Consolidation

Summary/Overview:

For several years Redwood Falls Police Department issued a Taser to each officer purchased from Axon Enterprises. In 2021 Redwood Falls Police Department utilized grant money from the State of Minnesota to purchase each officer a Body Worn Camera (BWC) along with the supporting software from Axon Enterprises. Shortly after the purchase of BWC it was determined the RFPD squad car camera systems were aging out and rather than replace them with units from the existing vendor pricing and integration benefits were identified to purchase the Axon Fleet camera systems.

Each purchase from Axon Enterprises required a new contract and after multiple purchases all the Axon products at RFPD were on different timelines for maintenance and renewals. In 2026 the Axon Enterprises representative briefed Police Chief Jason Cotner and Finance Director Kari Klages on the benefits of consolidating all our Axon contracts onto the same timeline.

The proposal showed consolidating the various contracts to a new, 10 year contract would save the city approximately \$265,000.00 over the course of the 10 years. In addition, the annual costs for all Axon products would be listed 10 years in advance making the budget process easier. Finally, as an incentive from Axon, the company would provide RFPD with their Virtual Reality (VR) training equipment and program which allows for unlimited training in a virtual reality environment to supplement RFPD's annual, mandatory, use of force training.

The proposed consolidation would require an increased payment of \$4000.00 to Axon Enterprises in 2026, however, the payment to Axon in 2027 was reduced by \$4000.00. So, the overall cost would remain the same despite the slight increase in 2026.

EXECUTIVE SUMMARY

Comprehensive 10-Year Program for Redwood Falls Police Department

TASER 10

14 UNITS

- 14 TASER 10 Handles (Yellow Class 3R)
- Annual Cartridge Delivery + Live Duty Replacement
- 14 Safariland Holsters (RH Enhanced)
- Cleaning Kit & Tactical Battery Packs
- VR Integration Capability
- Full Duty Cartridge Allocation

AXON BODY 4

15 CAMERAS

- 15 Axon Body 4 Cameras (RapidLock Mounts)
- 2 × 8-Bay Multi-Dock Bundles
- Full Shift Battery Life & LTE Connection
- Includes TAP Hardware Refreshes (2028, 2031, 2033, 2036)
- Bi-Directional Communications

FLEET 3

6 KITS

- 6 Vehicles (Standard 2-Camera Kits)
- 6 Ericsson Cradlepoint R980-5GD Routers
- 6 Taoglas 5-in-1 Antennas (2Cell/2WiFi/1GNSS)
- Fleet Major Refresh & Reinstall (2031)
- Signal Auto-Activation Technology
- ALPR Capability

VR TRAINING

1 SUITE

- 1 HTC Focus Vision Headset
- TASER 10 & Glock 19 VR Controllers
- Instructor Certification & Implementation
- VR Hardware Refreshes (2028, 2031, 2033)
- Full Use of Force VR Content Access
- Community Engagement Training, Live Action Use of Force, Range Skills & Drills

EVIDENCE CLOUD SOFTWARE SUITE

AXON VR FULL SKILLS TRAINING

Elevating Officer Performance Through Immersive, Skills-Based Training

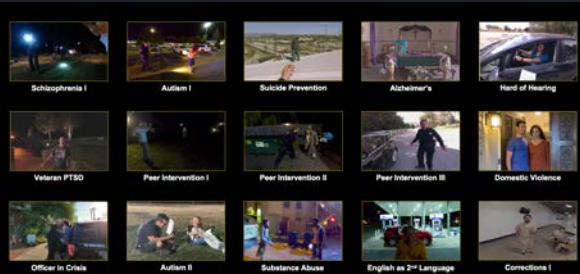

COMPREHENSIVE TRAINING MODULES

COMMUNITY ENGAGEMENT

EMPATHY & COMMUNICATION

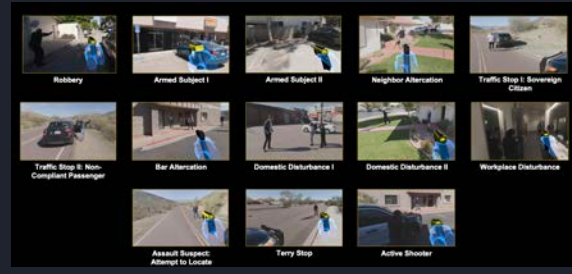

Immersive, observation-based learning that strengthens empathy, communication, and crisis intervention skills.

VRBT: LIVE ACTION

DECISION MAKING UNDER STRESS

Real-time, high-pressure scenarios that challenge officers to assess threats and make rapid assessments under stress.

SIMULATOR: RANGE SKILLS

WEAPON PROFICIENCY

Precision-focused drills that refine TASER energy weapon and handgun proficiency through hands-on exercises.

SIMULATOR: VRBT

TACTICAL RESPONSE

Free-movement, open-world simulations that refine tactical response, situational awareness, and adaptation.

★ KEY PLATFORM FEATURES

True-to-Life Immersion

Realistic environments with authentic weapon handling

Train Anytime, Anywhere

Wireless system requires no dedicated space or PC

Dynamic Scenario Adaptation

Unpredictable behaviors and branching outcomes

Core Competency Development

De-escalation, use-of-force, and situational awareness

STRATEGIC BENEFITS

REAL-WORLD READINESS

Builds confidence and muscle memory for high-stress field encounters.

BETTER DECISION MAKING

Develops faster threat recognition and proactive de-escalation strategies.

PERFORMANCE TRACKING

Data-driven analytics and After-Action Reports to measure officer progress.

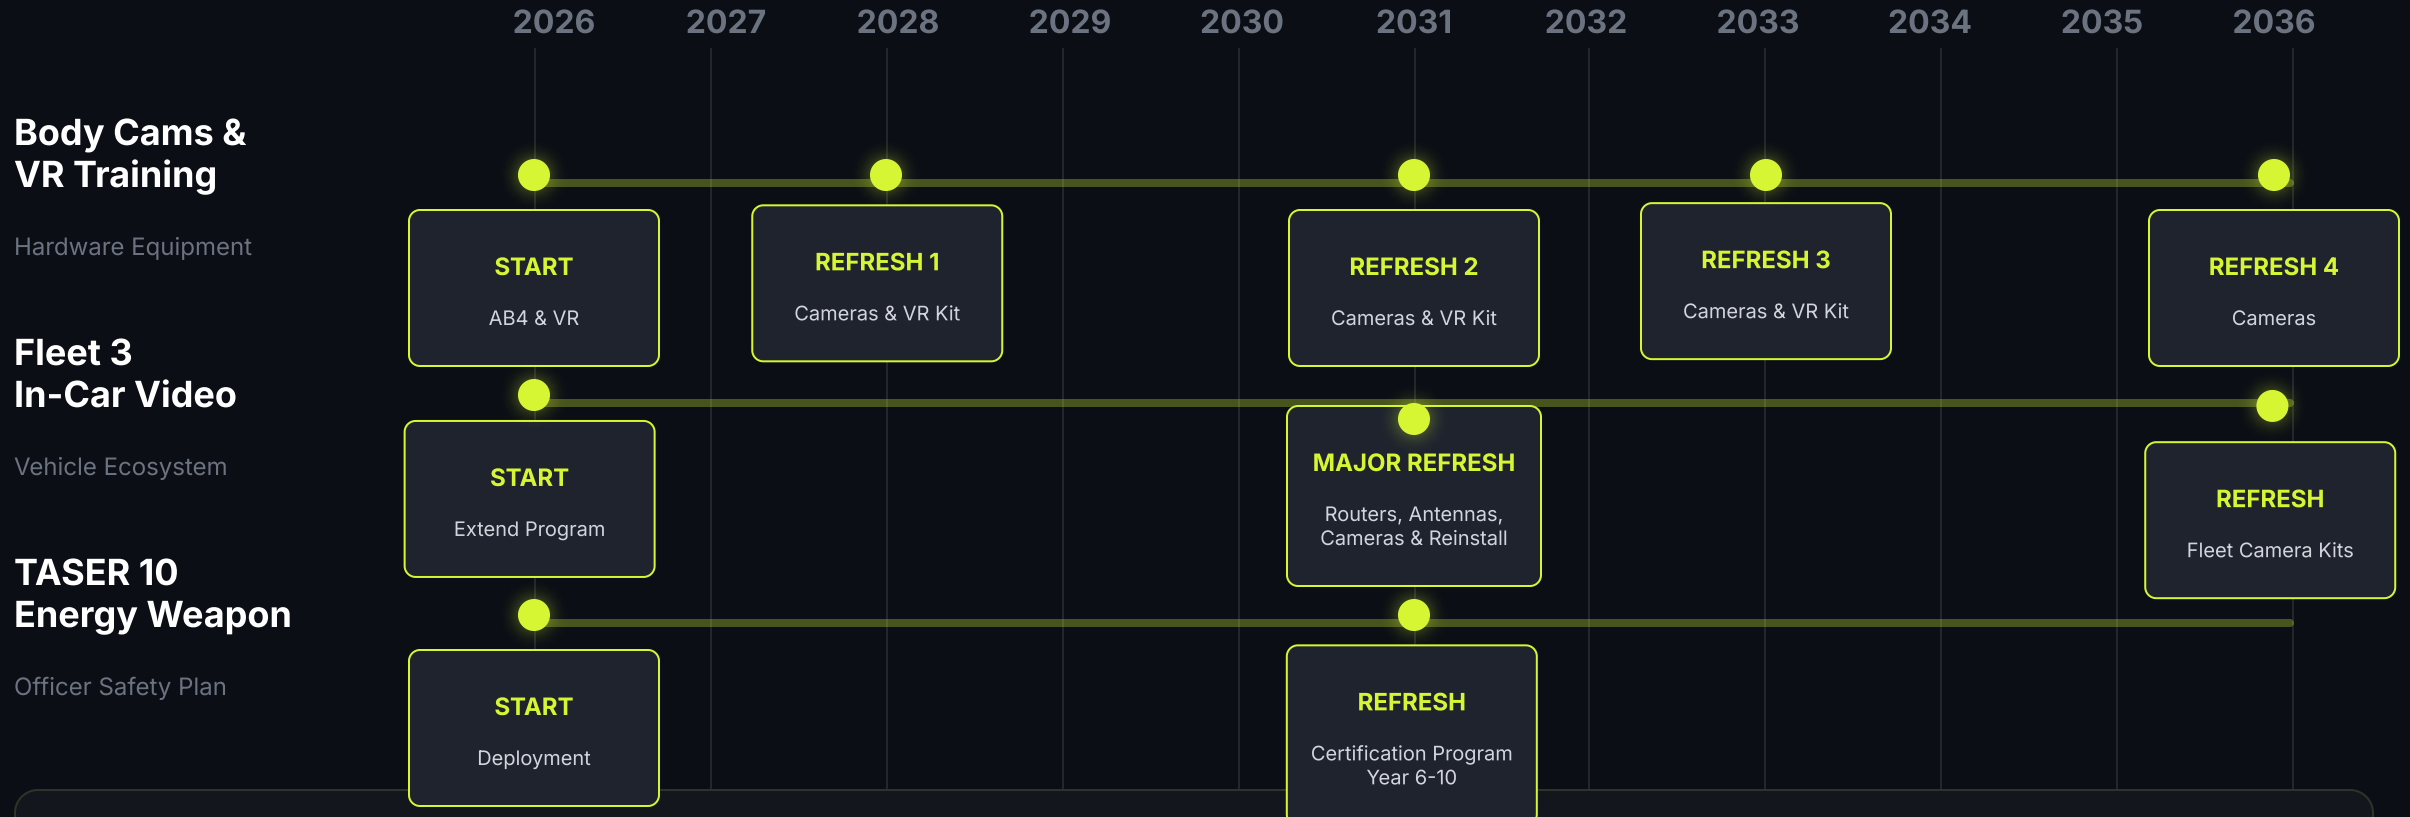

SCALABLE TRAINING

Flexible implementation for facilitator-led or self-directed sessions.

TAP LIFECYCLE ROADMAP

 TECHNOLOGY ASSURANCE PLAN

10-Year Technology Refresh Schedule (2026 - 2036) - Refresh to Latest Product Model Available

Full Warranty Coverage

"Bumper-to-bumper" protection for all hardware throughout the 10-year term

Future-Proof Technology

Guaranteed upgrades to the latest model available at time of refresh

Standard Terms and Conditions

Axon Enterprise Inc. Sales Terms and Conditions

Axon Master Services and Purchasing Agreement:

This Quote is limited to and conditional upon your acceptance of the provisions set forth herein and Axon's Master Services and Purchasing Agreement (posted at <https://www.axon.com/sales-terms-and-conditions>), as well as the attached Statement of Work (SOW) for Axon Fleet and/or Axon Interview Room purchase, if applicable. In the event you and Axon have entered into a prior agreement to govern all future purchases, that agreement shall govern to the extent it includes the products and services being purchased and does not conflict with the Axon Customer Experience Improvement Program Appendix as described below.

ACEIP:

The Axon Customer Experience Improvement Program Appendix, which includes the sharing of de-identified segments of Agency Content with Axon to develop new products and improve your product experience (posted at www.axon.com/legal/sales-terms-and-conditions), is incorporated herein by reference. By signing below, you agree to the terms of the Axon Customer Experience Improvement Program.

Acceptance of Terms:

Any purchase order issued in response to this Quote is subject solely to the above referenced terms and conditions. By signing below, you represent that you are lawfully able to enter into contracts. If you are signing on behalf of an entity (including but not limited to the company, municipality, or government agency for whom you work), you represent to Axon that you have legal authority to bind that entity. If you do not have this authority, please do not sign this Quote.

Exceptions to Standard Terms and Conditions

Agency has existing contract(s) originated via Quote(s):

Q-344530, Q-397383, Q-402424, Q-403389, Q-498738, Q-499842, Q-565172, Q-565349, Q-652543, Q-652561, Q-669227, Q-722952,

Agency is terminating those contracts effective 5/1/2026. Any changes in this date will result in modification of the program value which may result in additional fees or credits due to or from Axon.

The parties agree that Axon is applying a Transfer Balance of \$19,364.41

100% discounted body-worn camera and docking station hardware contained in this quote reflects a TAP replacement for hardware purchased under existing quotes aforementioned above. All TAP obligations from this contract will be considered fulfilled upon execution of this quote.

Rewrite Estimates

Estimated Amounts and Contract Terminations. Any amounts stated as due under existing or terminated contracts — including contract transfer balances carried forward to new or pending contracts — are estimates based on payments received as of the calculation date. These estimates may be adjusted if new contracts are not executed on the anticipated dates or if expected payments are not made.

Refresh Shipment Timing

Technology Assurance Plan (TAP) Refresh Prior to Renewal. For Customers with expiring agreements that include TAP refresh rights, Axon may, in its discretion, ship refresh hardware under the existing contract while renewal or replacement agreements are in progress. Any such shipments will be deemed made under the terms of the existing contract until the new contract is fully executed, after which any applicable updates, fees, or adjustments will apply.

Shipment Timing

Shipment Variance. Estimated shipment dates are provided for planning purposes only and are not guarantees. Axon may ship hardware before or after the estimated shipment date, and failure to meet an estimated shipment date will not, by itself, constitute a breach, provided Axon uses commercially reasonable efforts to meet estimated shipment dates.

AGENDA MEMO

Meeting Date: March 17, 2026

Agenda Item: Resolution No. 17 of 2026 – A Resolution of the City of Redwood Falls Providing for the Summary Publication of Ordinance No. 101, Fourth Series, An Ordinance Amending Zoning Ordinance.

Recommendation/Action Requested: Read the proposed Resolution or make a motion to waive the reading of the Resolution. Discuss the proposed Resolution. If there are no concerns, adopt the proposed Resolution by motion in accordance with Chapter 4 of the City Charter.

Summary/Overview: State law requires that all ordinances adopted be published prior to becoming effective. As Council is aware, Ordinance No. 101, Fourth Series is lengthy and authorizes a change to the zoning map referred to in Section 6.03 of the Unified Development Ordinance. However, Minnesota Statutes, Section 412.191, subd. 4, allows publication by title and summary in the case of lengthy ordinances or those containing charts or maps. Staff have prepared Resolution No. 17 of 2026 and Exhibit A, which contains the summary of Ordinance No. 101 for publication. Both documents are attached.

Attachment: Resolution No. 17 of 2026
Exhibit A – Summary Publication

RESOLUTION NO. 17 of 2026

A RESOLUTION OF THE CITY OF REDWOOD FALLS PROVIDING FOR THE SUMMARY PUBLICATION OF ORDINANCE NO. 101, FOURTH SERIES, AN ORDINANCE AMENDING ZONING ORDINANCE

WHEREAS, on March 17, 2026, at the regular Redwood Falls City Council meeting, by majority vote, the City Council adopted Ordinance No. 101, Fourth Series, An Ordinance Amending Zoning Ordinance; and

WHEREAS, State law requires that all ordinances adopted be published prior to becoming effective; and

WHEREAS, the Ordinance is lengthy; and

WHEREAS, Minnesota Statutes, Section 412.191, subd. 4, allows publication by title and summary in the case of lengthy ordinances or those containing charts or maps; and

WHEREAS, The City Council believes that the Summary Publication, as identified in Exhibit A attached hereto, would clearly inform the public of the intent and effect of the Ordinance; and

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF REDWOOD FALLS, MINNESOTA, that the City Administrator shall cause Ordinance No. 101, Fourth Series to be published in summary in the official newspaper in lieu of the entire ordinance.

PASSED AND ADOPTED by the City Council of the City of Redwood Falls, Minnesota this 17th day of March 2026.

PUBLIC NOTICE

The following is the official summary of Ordinance No. 101, Fourth Series, Titled “An Ordinance Amending Zoning Ordinance.” for the City of Redwood Falls.

The City received a request to rezone two parcels from R-2 to R-R in order for the property owner to have a small hobby farm (as allowed by City Ordinance) and construct a single-family home. After City Staff reviewed the request, Staff identified two additional parcels that would also need to be rezoned.

Due to the size and location of the parcels as well as the current and proposed use, it was determined that all four parcels would best fit the R-R zoning designation. The combined acreage of two parcels (88-002-4050 and 88-002-4020) is approximately 7 acres. The parcel to the west, 1003 W. Oak St. (88-002-4010) is 5.6 acres in size and currently has a single-family home with multiple accessory structures. Lastly, the parcel (88-002-4060) is 8 acres of vacant land. Pursuant to Section 3.17 of the Redwood Falls Unified Development Ordinance, after proper notice, a public hearing was held by the Redwood Falls Planning Commission on February 10, 2026. Recommendations from the Planning Commission for approval of the zoning amendment request were presented to City Council in the form of Ordinance No. 101, Fourth Series on February 17, 2026.

A complete copy of the full ordinance is available at Redwood Falls City Hall during regular business hours or on the City website at <https://ci.redwood-falls.mn.us/city-government/city-code-of-ordinances>. The affected properties, which are listed by address in this summary, are listed only by legal description within the Ordinance to meet the requirements of the Redwood County Recorder’s Office.

This ordinance was enacted after presentation for second reading pursuant to Chapter 4 of the City Charter on March 17, 2026.

THE CITY OF REDWOOD FALLS DOES ORDAIN:

SECTION 1. Statement of Procedure and Findings of Fact;

SECTION 2. Rezone from R-2 to R-R the following Parcels: 1003 W. Oak Street (Parcel #88-002-4010), Parcel #88-002-4020, Parcel #88-002-4050, and Parcel #88-002-4060.

SECTION 3. Authorization to Zoning Administrator to change the zoning map referred to in Section 6.03 of Chapter 6 of the Unified Development Ordinance;

SECTION 4. Effective Date.

Passed and Adopted by the Redwood Falls City Council March 17, 2026

PUBLIC NOTICE

ORDINANCE NO. 103, FOURTH SERIES

The following is the official summary of Ordinance No. 103, Fourth Series, Titled “An Ordinance Amending Redwood Falls Code of Ordinances §3.40 Pertaining to Rules and Regulations Relating to Sewerage Use.”

On July 13, 1988 the City Council of the City of Redwood Falls, Minnesota Passed and Adopted Ordinance No. 136, Second Series, Titled “SEWER USE ORDINANCE” regulating the use of public and private sewers and drains, private wastewater disposal, the installation and connection of sanitary and building sewers, and the discharge of waters and wastes into the public sewer system, and providing penalties for violations. The regulations created by Ordinance No. 136, Second Series, are currently found in Chapter 3, § 3.40 of the Redwood Falls City Code of Ordinances.

Approved by the City Council of the City of Redwood Falls on March 17, 2026. Ordinance No. 103, Fourth Series amends Redwood Falls Code of Ordinances §3.40 for the purpose of adding clarity to what constitutes a private sewer connection and its limits versus the public sanitary sewer and the responsibility for maintenance respectively under §3.40, Section 2. Subd. 2, E. The addition of §3.40, Section 2. Subd. 2, F requires owners to contact the wastewater department as soon as they notice slow drainage or backups so that the public sewer can be verified as operational or be cleared to help alleviate the problem.

A complete copy of the full ordinance is available at Redwood Falls City Hall during regular business hours or on the City website at <https://ci.redwood-falls.mn.us/city-government/city-code-of-ordinances>.

This ordinance was enacted after presentation for second reading pursuant to Chapter 4 of the City Charter.

Passed and Adopted by the Redwood Falls City Council March 17, 2026.

City Council Meeting Date: Tuesday, March 17th, 2026

Agenda Item: 2026 Joint City-School Projects

Date: 3/10/2026

Recommendation/Action Requested: Community Center Board requesting approval of 2026 joint city-school projects and Request to disperse 2026 joint city-school funds.

Summary/Overview: The Community Center Board met on Tuesday, February 24th, 2026, to review a list of project requests. The meeting included: Ross Nachreiner, Keith Muetzel, Larry Arentson, Andy Ourada, Tom Anderson, and Becky Cselovszki.

Following discussion, recommendations are:

- A. The City Council and School Board to authorize the projects and purchases shown as approved in Exhibit #1 (attached) at their respective March 2026 meetings.
- B. The City Council authorizes disbursement of the 2026 joint-city school funds in the amount of \$15,000 to ISD #2897.
- C. The City Council to declare surplus and authorize the trade or sell the following pieces of equipment: (1) Cross Trainer/Elliptical, Treadmill, & NuStep.

Agenda Recommendation

Meeting Date:

March 17, 2026

Agenda Item:

Resolution Accepting Donation from PROTECTS

Recommendation/Action Requested:

Staff Recommends approval.

Summary/Overview:

In January, 2026, Police Chief Jason Cotner was approached by board members of the PROTECTS non-profit charitable organization with questions about unfunded needs of the Redwood Falls Police Department. As a result of that conversation PROTECTS held a meeting on Tuesday, February 24th to discuss the group's donation priorities in 2026. On February 25th Chief Cotner was advised the board approved a donation of \$17,000 to Redwood Falls Police Department for the purchase of six Pepperball non-lethal launchers, requisite supplies and training.

Pepperball launchers would supplement current less-lethal options currently employed by RFPD officers. The benefit of Pepperball launchers is they can be used at a much greater distance from a non-compliant suspect than Tasers or OC spray. In addition, because Taser requires two darts make contact with a subjects skin, heavy clothing typically worn in cold weather months reduces its effectiveness, a problem that is overcome by Pepperball.

If approved by city council, this would be the second donation from PROTECTS to RFPD

Attachments:

- Resolution No. 19 of 2026
- PROTECTS Letter of Intent

<https://pepperball.com/launchers/>

RESOLUTION NO. 19 OF 2026
A RESOLUTION ACCEPTING A DONATION TO THE CITY.

WHEREAS, the City of Redwood Falls is generally authorized to accept donations of real and personal property pursuant to Minnesota Statutes Section 465.03 et seq. for the benefit of its citizens and is specifically authorized to accept gifts; and

WHEREAS, the following persons and entities have offered to contribute the cash amounts set forth below to the City:

<u>Name of Donor</u>	<u>Amount</u>
PROTECTS – Redwood Falls (Providing Resources, Officer Training, Equipment Canine, and Team Support)	\$17,000.00

WHEREAS, the terms or conditions of the donations, if any, are as follows:

Terms or Conditions
Donation of \$17,000 to Redwood Falls Police Department for the purchase of six Pepperball non-lethal launchers, requisite supplies, and training.

WHEREAS, all such donations have been contributed to the City for the benefit of its citizens, as allowed by law; and

WHEREAS, the City Council finds that it is appropriate to accept the donations offered.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF REDWOOD FALLS, MINNESOTA AS FOLLOWS:

1. The donations described above are accepted and shall be used to establish and/or operate services either alone or in cooperation with others, as allowed by law.
2. The city clerk is hereby authorized, if requested, to issue receipts to each donor acknowledging the city's receipt of the donor's donation.

PASSED AND ADOPTED by the City Council of the City of Redwood Falls, Minnesota this 17th day of March.

Chief Cotner and Assistant Chief Steve Schroeder,

PROTECTS has reviewed and approved your funding request for PepperBall launchers, projectiles, mounts and training. We are pleased to confirm that with the assistance of an Orrin S. Estebo Foundation grant, PROTECTS has committed to donating \$17,000 to the Redwood Falls Police Department. The donation of \$17,000 will be mailed to you in the next couple of weeks. These funds are designated exclusively for the purposes outlined in your original funding request. We respectfully request the opportunity to take a commemorative photograph with representatives of your office and members of the PROTECTS board.

We recognize the critical role your agency plays in maintaining public safety, and we are proud to support your continued efforts to equip your officers with essential protective equipment. Your commitment to officer safety and community well-being is commendable, and we are honored to contribute to that mission. Should you have any questions, please do not hesitate to contact us.

AGENDA RECOMMENDATION

Agenda Item: Final Pay Application No. 21 (Wastewater Treatment Facility Improvements).

Recommendation/Action Requested: Staff is recommending for approval Final Pay Application No. 21 (Wastewater Treatment Facility Improvements) for \$19,436.00 with check disbursement contingent upon receipt and execution of the original copies of the required close out documents and MN IC134s.

Summary/Overview: The final contract price totals \$7,676,200.00. The substantial completion of the project was December 30, 2025, secured with a warranty bond. Approval sets the two-year warranty period to December 30, 2027, which by contract is two years from substantial completion. Any material deficiencies observed during the original warranty period must be brought to the attention of the Contractor, in writing, before the expiration date.

RE: Pay Application No. 21
Wastewater Treatment Facility Improvements
Redwood Falls, Minnesota
Project No.: 0M2.128934

Dear Jim:

Please find enclosed the Final Pay Application for the above-referenced project. The pay application is based on work completed to date and the schedule of values provided by the contractor as required in the contract documents. We are recommending, at this time, payment to Gridor Constr., Inc., in the amount of \$19,436.

If you agree, please sign and return one copy to Gridor Constr., Inc. with payment, and one to me for our files.

If you have questions regarding any of the above items, please call me at (507) 740-1672.

Sincerely,

Bolton & Menk, Inc.

CERTIFICATE OF SUBSTANTIAL COMPLETION

Owner: City of Redwood Falls, Minnesota
Engineer: Bolton & Menk, Inc.
Contractor: Gridor Constr., Inc.
Project: Wastewater Treatment Facility Improvements
Contract Name: Wastewater Treatment Facility Improvements

Owner's Project No.:
Engineer's Project No.: 0M2.128934
Contractor's Project No.:

This Preliminary Final Certificate of Substantial Completion applies to:

All Work The following specified portions of the Work:

Date of Substantial Completion: **December 30, 2025**

The Work to which this Certificate applies has been inspected by authorized representatives of Owner, Contractor, and Engineer, and found to be substantially complete. The Date of Substantial Completion of the Work or portion thereof designated above is hereby established, subject to the provisions of the Contract pertaining to Substantial Completion. The date of Substantial Completion in the final Certificate of Substantial Completion marks the commencement of the contractual correction period and applicable warranties required by the Contract.

A punch list of items to be completed or corrected is attached to this Certificate. This list may not be all-inclusive, and the failure to include any items on such list does not alter the responsibility of the Contractor to complete all Work in accordance with the Contract Documents.

Amendments of contractual responsibilities recorded in this Certificate should be the product of mutual agreement of Owner and Contractor; see Paragraph 15.03.D of the General Conditions.

The responsibilities between Owner and Contractor for security, operation, safety, maintenance, heat, utilities, insurance, and warranties upon Owner's use or occupancy of the Work must be as provided in the Contract, except as amended as follows:

Amendments to Owner's Responsibilities: None As follows:

Amendments to Contractor's Responsibilities: None As follows:

The following documents are attached to and made a part of this Certificate:

Project Warranty List

This Certificate does not constitute an acceptance of Work not in accordance with the Contract Documents, nor is it a release of Contractor's obligation to complete the Work in accordance with the Contract Documents.

1. The Contractor and Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors, and assigns to the Owner for the performance of the Construction Contract's Correction Period Obligations. The Construction Contract is incorporated herein by reference.
2. If the Contractor performs the Correction Period Obligations, the Surety and the Contractor shall have no obligation under this Warranty Bond.
3. If Owner gives written notice to Contractor and Surety during the Bond Period of Contractor's obligation under the Correction Period Obligations, and Contractor does not fulfill such obligation, then Surety shall be responsible for fulfillment of such Correction Period Obligations. Surety shall either fulfill the Correction Period Obligations itself, through its agents or contractors, or, in the alternative, Surety may waive the right to fulfill the Correction Period Obligations itself and reimburse the Owner for all resulting costs incurred by Owner in performing Contractor's Correction Period Obligations, including but not limited to correction, removal, replacement, and repair costs.
4. The Surety's liability is limited to the amount of this Warranty Bond. Renewal or continuation of the Warranty Bond will not modify such amount unless expressly agreed to by Surety in writing.
5. The Surety shall have no liability under this Warranty Bond for obligations of the Contractor that are unrelated to the Construction Contract. No right of action will accrue on this Warranty Bond to any person or entity other than the Owner or its heirs, executors, administrators, successors, and assigns.
6. Any proceeding, legal or equitable, under this Warranty Bond may be instituted in any court of competent jurisdiction in the location in which the Work or part of the Work is located and must be instituted within two years after the Surety refuses or fails to perform its obligations under this Warranty Bond.
7. Written notice to the Surety, the Owner, or the Contractor must be mailed or delivered to the address shown in this Warranty Bond.
8. Definitions
 - 8.1. Construction Contract—The agreement between the Owner and Contractor identified on the cover page of this Warranty Bond, including all Contract Documents and changes made to the agreement and the Contract Documents.
 - 8.2. Contract Documents—All the documents that comprise the agreement between the Owner and Contractor.
 - 8.3. Correction Period Obligations—The duties, responsibilities, commitments, and obligations of the Contractor with respect to correction or replacement of defective Work, as set forth in the Construction Contract's Correction Period clause, EJCDC® C 700, Standard General Conditions of the Construction Contract (2018), Paragraph 15.08, as duly modified.
 - 8.4. Substantial Completion—As defined in the Construction Contract.
 - 8.5. Work—As defined in the Construction Contract.
9. Modifications to this Bond are as follows: **None**

POWER OF ATTORNEY

Liberty Mutual Insurance Company
The Ohio Casualty Insurance Company
West American Insurance Company

Certificate No: 8214569 - 190003

KNOWN ALL PERSONS BY THESE PRESENTS: That The Ohio Casualty Insurance Company is a corporation duly organized under the laws of the State of New Hampshire, that Liberty Mutual Insurance Company is a corporation duly organized under the laws of the State of Massachusetts, and West American Insurance Company is a corporation duly organized under the laws of the State of Indiana (herein collectively called the "Companies"), pursuant to and by authority herein set forth, does hereby name, constitute and appoint, Blake S. Bohlig, Brian D. Carpenter, Charles Draper, Craig Olmstead, Erik T. Gunkel, Haley Pflug, Heather R. Goodtel, Jessica Hecker, Kathryn E. Kade, Kelly Nicole Finghauser, Laurie Pflug, Michelle Halter, Michelle Ward, Sara Whitfield

all of the city of Bloomington state of MN each individually if there be more than one named, its true and lawful attorney-in-fact to make, execute, seal, acknowledge and deliver, for and on its behalf as surety and as its act and deed, any and all undertakings, bonds, recognizances and other surety obligations, in pursuance of these presents and shall be as binding upon the Companies as if they have been duly signed by the president and attested by the secretary of the Companies in their own proper persons.

IN WITNESS WHEREOF, this Power of Attorney has been subscribed by an authorized officer or official of the Companies and the corporate seals of the Companies have been affixed thereto this 6th day of August, 2025.

Liberty Mutual Insurance Company
The Ohio Casualty Insurance Company
West American Insurance Company

By: Nathan J. Zangerle
Nathan J. Zangerle, Assistant Secretary

State of PENNSYLVANIA
County of MONTGOMERY ss

On this 6th day of August, 2025 before me personally appeared Nathan J. Zangerle, who acknowledged himself to be the Assistant Secretary of Liberty Mutual Insurance Company, The Ohio Casualty Company, and West American Insurance Company, and that he, as such, being authorized so to do, execute the foregoing instrument for the purposes therein contained by signing on behalf of the corporations by himself as a duly authorized officer.

IN WITNESS WHEREOF, I have hereunto subscribed my name and affixed my notarial seal at Plymouth Meeting, Pennsylvania, on the day and year first above written.

This Power of Attorney is made and executed pursuant to and by authority of the following By-laws and Authorizations of The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company which resolutions are now in full force and effect reading as follows:

ARTICLE IV – OFFICERS: Section 12. Power of Attorney.

Any officer or other official of the Corporation authorized for that purpose in writing by the Chairman or the President, and subject to such limitation as the Chairman or the President may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Corporation to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Corporation by their signature and execution of any such instruments and to attach thereto the seal of the Corporation. When so executed, such instruments shall be as binding as if signed by the President and attested to by the Secretary. Any power or authority granted to any representative or attorney-in-fact under the provisions of this article may be revoked at any time by the Board, the Chairman, the President or by the officer or officers granting such power or authority.

ARTICLE XIII – Execution of Contracts: Section 5. Surety Bonds and Undertakings.

Any officer of the Company authorized for that purpose in writing by the chairman or the president, and subject to such limitations as the chairman or the president may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the president and attested by the secretary.

Certificate of Designation – The President of the Company, acting pursuant to the Bylaws of the Company, authorizes Nathan J. Zangerle, Assistant Secretary to appoint such attorneys-in-fact as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations.

Authorization – By unanimous consent of the Company's Board of Directors, the Company consents that facsimile or mechanically reproduced signature of any assistant secretary of the Company, wherever appearing upon a certified copy of any power of attorney issued by the Company in connection with surety bonds, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

I, Renee C. Llewellyn, the undersigned, Assistant Secretary, The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company do hereby certify that the original power of attorney of which the foregoing is a full, true and correct copy of the Power of Attorney executed by said Companies, is in full force and effect and has not been revoked.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this 13th day of February, 2026.

By: Renee C. Llewellyn

56		Touch up painting for FI piping as this was painted when the plant was in operation			
57		Door alarm for the garage door is reversed (open shows as closed and vise versa)			

Meeting Date: March 17, 2026

AGENDA RECOMMENDATION

Agenda Item: Resolution No. 20 of 2026

Recommendation/Action Requested: Read the proposed Resolution or make a motion to waive the reading of the Resolution. Discuss the proposed Resolution. If no concerns, adopt proposed Resolution by motion in accordance with Chapter 4 of the City Charter.

Summary/Overview: Resolution No. 20 Authorizes the application for funding from the Minnesota Public Facilities Authority (MPFA) to replace approximately 40 lead service lines identified within the current lead service line inventory. MPFA has a separate uniform resolution template they wished to be used. This is similar to the action taken by Council under resolution 9 of 2026 on February 3, 2026, and reaffirms the authorization to apply for the \$1,000,000.00 allocated to the City of Redwood Falls.

Project Scope: As previously presented in February, at the May 6, 2025, Council Meeting, Council approved resolution No. 27 of 2025 to authorize the application to MPFA and Minnesota Department of Health (MDH) for grant dollars to replace up to 149 inventoried lead/galvanized service lines. This also authorized the submittal to be listed on the project priority list (PPL) for the Drinking Water Revolving Fund Dollars (DWRP). The project grant is for 100% of the replacement costs which would start at 50% grant and 50% forgivable loan dollars upon project completion.

The volume of requests has exceeded the budgeted amount that MPFA was legislatively authorized for, and they have reduced our replacement project to a multi-year-phased approach. The current inventory has 167 services inventoried as lead or galvanized to be replaced with an estimated cost of \$5,010,000.00 that will continue to grow as more lead services are identified.

The MPFA is requiring the application and plan submittals by March 30, 2026, and the goal is to have 40 executed replacement agreements to accompany the plan submittal. Staff sent out 50 agreements to residents on Chestnut, Wyoming and 5th Streets and currently sit at 28 returned agreements at the time of this edit.

Attachments: Resolution No. 20 of 2026

RESOLUTION NO. 20 OF 2026

**A RESOLUTION TO AUTHORIZE FUNDING APPLICATION FOR
LEAD AND GALVANIZED SERVICE LINE REPLACEMENT
THROUGH THE MINNESOTA PUBLIC FACILITIES AUTHORITY**

WHEREAS, the City of Redwood Falls is hereby applying to the Minnesota Public Facilities Authority for a loan and/or grant from the Drinking Water Revolving Fund for a lead service line replacement project as described in the application; and

WHEREAS, the City of Redwood Falls estimates the MPFA-Financed amount to be \$1,000,000 or the as-bid cost of the project.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF REDWOOD FALLS, MINNESOTA, that the City of Redwood Falls has the legal authority to apply for the loan and/or grant, and the financial, technical, and managerial capacity to repay the loan and ensure proper construction, operation and maintenance of the project for its designed life.

PASSED AND ADOPTED by the City Council of the City of Redwood Falls on this 17th day of March 2026.

AGENDA RECOMMENDATION

Agenda Item: Resolution No. 21 of 2026

Recommendation/Action Requested: Read the proposed Resolution or make a motion to waive the reading of the Resolution. Discuss the proposed Resolution. If no concerns, adopt proposed Resolution by motion in accordance with Chapter 4 of the City Charter.

Summary/Overview: In response to the Advertisement for Bids, the city received five proposals for construction of the 2026 Seal Coat Improvements. The proposals were opened and publicly read at 10:30 a.m. on March 10, 2026.

The low responsible bidder was Allied Blacktop Company of Maple Grove, MN for the 2026 Seal Coat Improvements per bid unit prices for CRS2P bituminous oil, FA-2, Class-A aggregate, and flexible chip seal markers. The resulting base bid was \$219,228.70 or 15% below the engineer's estimate of \$259,208.00. Staff recommend the award to Allied Blacktop Company of Maple Grove.

The 2026 Seal Coat Improvement Project has a budget of \$250,000 including contingency for streets, alleyways, and parking lots.

The attached map shows the 2026 area from Gould Street West to Minnesota Street and Trunk Highway 19/71 South stopping at Wyoming Street. In addition, the scope also includes the parking lots of the M&L and Third Street. Streets around the new Elementary School that were skipped in 2025 due to construction activities have been added to this year's scope as well. The library parking lot will be postponed due to construction.

Please note that the seal coat areas were increased from 5 zones to 6 in order to reduce project sizing and fit budget parameters.

RESOLUTION NO. 21 OF 2026

**AUTHORIZATION TO EXECUTE
AWARD OF CONTRACT
FOR THE 2026 SEAL COAT IMPROVEMENTS**

WHEREAS, the City of Redwood Falls is authorized to enter into a contract with Allied Blacktop Company of Maple Grove, MN pursuant to Minnesota Statutes § 412.221, subd. 2 for the benefit of its citizens; and

WHEREAS, at the February 3, 2026, City Council meeting, the Council authorized the Advertisement for Bids for the 2026 Seal Coat Improvement Project through Resolution No. 8; and

WHEREAS, on Tuesday, March 10, 2026, at 10:30 a.m., five bids were received and opened at City Hall; and

WHEREAS, Allied Blacktop Company of Maple Grove, MN is the competent, low apparent bidder with the base bid and bid alternate for the construction of the 2026 Seal Coat Improvements. The scope includes CRS2P bituminous oil, FA-2, Class A Aggregate, and flexible chip seal markers at a sum of \$219,228.70 per bid unit pricing; and

WHEREAS, the recommendation to award the contract to Allied Blacktop Company of Maple Grove has been made by the City’s appointed Engineer, Shane Traulich, Bolton and Menk, Inc.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF REDWOOD FALLS, MINNESOTA, AS FOLLOWS:

1. The bid and subsequent contract described above is awarded, approved, and executed in the form submitted to the City Council and made a part of this Resolution by reference.
2. The Public Works Project Coordinator shall be listed as the Project Representative on behalf of the City of Redwood Falls.
3. The Mayor and/or City Administrator are authorized to execute this contract and any amendments on behalf of the City of Redwood Falls pursuant to the Redwood Falls Procurement Policy.
4. The awarded contract described above shall be maintained and insured as allowed by law.

PASSED AND ADOPTED by the City Council of the City of Redwood Falls, Minnesota on this 17th day of March 2026.

RE: Recommendation to Award Contract
2026 Seal Coat Improvements
City of Redwood Falls
Redwood Falls, MN
BMI Project No.: 26X.142449.000

Dear Jim:

In response to the Advertisement for Bids, the Council received 5 proposals for the construction of the referenced project. The proposals were opened and publicly read at 10:30 a.m., on March 10, 2026.

The bids ranged between \$219,228.70 and \$278,851.50. The Summary of Bids is attached.

The low bidder was Allied Blacktop Company of Maple Grove, MN. The low bid was 15% below the Engineer's Estimate of \$259,208.00 and the second low bidder was 7% above the low bidder.

Allied Blacktop Company has provided all required bidding documents in their proposal.

It is unlikely that re-bidding the project will result in more bids or more competitive bids. The bids appear to be responsive and responsible. If the Council determines the project is financially feasible, we recommend awarding the contract to Allied Blacktop Company in the amount of \$219,228.70.

Please contact our office with any questions or comments regarding this project.

Sincerely,
Bolton & Menk, Inc.

Shane T. Traulich, P.E.

 2026 SEAL COAT
 SEAL COAT OVERVIEW

Meeting Date: March 17, 2026

AGENDA RECOMMENDATION

Agenda Item: Resolution No. 22 of 2026

Recommendation/Action Requested: Read the proposed Resolution or make a motion to waive the reading of the Resolution. Discuss the proposed Resolution. If no concerns, adopt proposed Resolution by motion in accordance with Chapter 4 of the City Charter.

Summary/Overview: In response to the Advertisement for Bids, the city received four proposals for construction of the 2026 Multi-Use Trails and Turn Lane Improvements. The proposals were opened and publicly read at 10:00 a.m. on Tuesday March 10, 2026.

The lowest responsible bidder was M.R. Paving and Excavating Inc. of New Ulm, MN for the 2026 Multi-Use Trails and Turn Lane Improvements per bid unit pricing. The resulting bid was \$1,397,583.69. Bids ranged up to \$1,975,818.48 and the resulting low bid was 33% below the Engineer's estimate of \$2,091,119.50.

Staff supports the approval of award for the 2026 Multi-Use Trails and Turn Lane Improvements contingent on final State Aid approval and executed grant agreements.

Recommendation to award by Shane Traulich P.E. of Bolton & Menk Inc.

RESOLUTION NO. 22 OF 2026

**AUTHORIZATION TO EXECUTE
AWARD OF CONTRACT
FOR THE 2026 MULTI-USE TRAILS AND TURN LANE IMPROVEMENTS**

WHEREAS, the City of Redwood Falls is authorized to enter into a contract with M.R. Paving and Excavating Inc. of New Ulm, MN pursuant to Minnesota Statutes § 412.221, subd. 2 for the benefit of its citizens; and

WHEREAS, at the January 21, 2025, City Council meeting, the Council authorized the Advertisement for Bids for the 2026 Multi-Use Trails and Turn Lane Improvements as part of Resolution 11 of 2025; and

WHEREAS, on Tuesday March 10, 2026, at 10:00 a.m., four bids were received and opened at City Hall; and

WHEREAS, M.R. Paving and Excavating of New Ulm, MN is the competent, low apparent bidder for the construction of the 2026 Multi-Use Trails and Turn Lane Improvements in the amount of \$1,397,583.69; and

WHEREAS, the recommendation to award the contract to M.R. Paving and Excavating of New Ulm, MN has been made by the City's appointed Engineer, Shane Traulcih, Bolton and Menk, Inc. contingent upon final State Aid approval and executed grant agreements.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF REDWOOD FALLS, MINNESOTA, AS FOLLOWS:

1. The bid and subsequent contract described above is awarded, approved, and executed in the form submitted to the City Council and made a part of this Resolution by reference.
2. The Public Works Project Coordinator shall be listed as the Project Representative on behalf of the City of Redwood Falls.
3. The Mayor and/or City Administrator are authorized to execute this contract and any amendments and subsequent grant agreements on behalf of the City of Redwood Falls pursuant to the Redwood Falls Procurement Policy.
4. The awarded contract described above shall be maintained and insured as allowed by law.

PASSED AND ADOPTED by the City Council of the City of Redwood Falls, Minnesota on this 17th day of March 2026.

ATTEST:

Keith Muetzel

RE: Recommendation to Award Contract
Multi-Use Trails & Turn Lane Improvements
207-591-001; 207-590-001; 207-020-003
City of Redwood Falls
Redwood Falls, MN
BMI Project No.: 25X 137528.000

Dear Jim:

In response to the Advertisement for Bids, the Council received 4 proposals for the construction of the referenced project. The proposals were opened and publicly read at 10:00 a.m., on March 10, 2026.

The bids ranged between \$1,397,583.69 and \$1,975,818.48. The Summary of Bids is attached.

The low bidder was M.R. Paving & Excavating, Inc. of New Ulm, MN. The low bid was 33% below the Engineer's Estimate of \$2,091,119.50 and the second low bidder was 23% above the low bidder.

In accordance with Minnesota Statutes §16C.285, M.R. Paving & Excavating, Inc. has furnished the executed Responsible Contractor Verification and Certification of Compliance form.

It is unlikely that re-bidding the project will result in more bids or more competitive bids. The bids appear to be responsive and responsible. If the Council determines the project is financially feasible, we recommend awarding the contract to M.R. Paving & Excavating, Inc. in the amount of \$1,397,583.69, contingent on State Aid approval and executed grant agreements.

Please contact our office with any questions or comments regarding this project.

Sincerely,
Bolton & Menk, Inc.

Shane T. Traulich, P.E.

MSB Excavating & Tiling Howard Lake, MN	\$1,975,818.48	

Meeting Date: March 17, 2026

AGENDA RECOMMENDATION

Agenda Item: 2026 Storm Water Pollution Prevention Program Approval.

Recommendation/Action Requested: Staff are recommending for approval the City of Redwood 2026 Storm Water Pollution Prevention Program (with appendices A-M) delivered by Bolton & Menk Inc. and its submission to MPCA to meet the corrective actions required by MPCA by March 31, 2026. This will direct the City's Municipal Separate Storm Sewer System (MS4) future activities and will be amended as needed.

Summary/Overview: The City's Municipal Separate Stormwater System (MS4) program was audited on October 2, 2025. Minnesota Pollution Control Agency Staff reviewed the program with the Public Works Project Coordinator and found the program to be missing required written planning and review documentation through the six minimum control measures (MCMs).

On December 2, 2025, the Mayor and Staff received an alleged violation letter (AVL) outlining the deficiencies and listing corrective actions required to be completed within 90 days. Staff requested support from Bolton & Menk Inc., the city engineering and consulting firm, to draft a proposal to assist the MS4 program and address the corrective actions within the response term limit.

On January 6, 2026, the Council approved the proposal from the City Engineering Firm Bolton & Menk Inc. to update and create a new Storm Water Pollution Prevention Program to address the alleged violations and assist the City with meeting the required corrective actions within the 90-day compliance period.

On February 24, 2026, Staff received an email from Kong Fyten (MPCA) advising, *"My team and I at the Minnesota Pollution Control Agency (MPCA) have completed our review of the City of Redwood Falls' compliance status, including your responses to the AVL and consultation with our legal staff. Based on this review, we have decided to reduce the enforcement level to a Notice of Violation (NOV). Please note that this determination does not eliminate the need for corrective actions; however, it does remove the immediate monetary penalty associated with elevated enforcement."*

Staff with Bolton & Menk Inc. personnel had a meeting with Mr. Kong Fyten via teams on February 26, 2026, where Mr. Fyten revealed that because of their internal review, the original 38 violations were reduced to 17, listing 15 required corrective actions with 7 noted as being completed and a new notice of violation (NOV) will be issued. Staff received the new NOV via email on March 10, 2026.

Due to the documents size, the website is the most efficient distribution of the plan. Follow the link <https://ci.redwood-falls.mn.us/download/16238/?tmstv=1773325405> to download or view.

AGENDA RECOMMENDATION

Agenda Item: Stop Sign Requests – Uncontrolled Intersections

Recommendation/Action Requested: Staff recommends installation of stop signs at the three locations noted below.

Summary/Overview:

Over the last several years the City has made efforts to eliminate uncontrolled intersections in Redwood Falls. Staff recently received a request to evaluate the uncontrolled intersections on Spring Street and make a recommendation as to whether the installation of additional stop signs is warranted.

A work group made up of the police chief, street superintendent, and public works project coordinator reviewed traffic patterns and current stop sign placement along the Spring Street corridor and recommends adding stop signs at the following uncontrolled intersections:

- Stop Drew Street at Spring Street
- Stop Gould Street at Spring Street
- Stop Plum Street at Gould Street

AGENDA RECOMMENDATION

Agenda Item: Establish City Council Work Session Agenda

Recommendation/Action Requested: Staff requests the City Council formally establish the agenda for the March 31, 2026, work session.

Summary/Overview: The next City Council work session is scheduled for March 31, 2026. To prepare for the meeting, and ensure adequate time is allowed for each agenda item, staff requests the City Council formally establish the work session agenda. The following item has been suggested as an agenda item:

- Reflection Ridge Business Park
