DEER MANAGEMENT PROGRAM
ARCHERY SKILLS TEST

Welcome to the 2018 Archery Skills Test for the City of Redwood Falls deer management program. Paul Parsons (507-401-0469) will be the contact for this hunt. This is the second year of the hunt and our main goal is to have a safe and successful hunt for everyone.

There are a couple items to be aware of:

1. The Redwood Falls hunt is under a Special Deer Hunt "Double Earn A Buck" regulation. Up to three deer may be harvested but two antlerless deer must be legally retrieved, tagged and secured before taking a buck. Bonus tags are for antlerless deer ONLY.
2. There are 20 permits available so everyone will have their own stand location and area to hunt.
3. The 20 successful permit holders will be required to pay a \$40 fee to participate in the hunt and take up to three deer. Payment must be received prior to site assignment.
4. If selected you must bring eligibility letter to purchase your bonus tags at license agency.

Testing will involve shooting a total of 15 arrows from three different distances as follows:

- Station # 1 five arrows from 20 yards
- Station #2 five arrows from 18 yards
- Station #3 five arrows from 15 yards

The scoring will be explained to you by the scorer, prior to shooting, and you will have an opportunity, if you wish, to view the target.

If you have any questions, please feel free to ask.
