2019 Business Efficient Furnace Fan Motor Rebate Application

Qualifying Equipment:

New Furnace Installations

Qualifying furnaces must be new, residential-style forced-air furnace equipped with an Electronically Commutated Motor (ECM), Advanced Main Air Circulating Fan (AMACF), or equivalent. Qualifying furnaces are identified on the Air Conditioning, Heating, and Refrigeration Institute's (AHRI) Certificate of Product Ratings (found at www.ahridirectory.org) as being equipped with an Electronically Commutated Motor. **A copy of the AHRI Certificate showing that information, or the manufacturer's spec sheet showing that the specific furnace model includes an ECM fan motor, must accompany this application.** Please enter the AHRI Certified Reference Number (shown on the AHRI Certificate) in the table below.

Furnace Fan Motor Replacements

The installation of an Electronically Commutated Motor (ECM) or equivalent in an existing furnace qualifies for a rebate. **In addition to submitting the documentation required in the program Terms and Conditions, documentation showing that the new motor is an ECM or equivalent must also accompany this application.**

Project Type:

- Replace Existing Furnace with New Furnace
 New Business (New Furnace)
 Furnace Fan Motor Replacement

New Furnace Installations:

Furnace Manufacturer	Furnace Model Number	Furnace Serial Number	AHRI Reference Number	Qualifying Motor Type	Is Furnace ENERGY STAR® rated?	Do you have an Air Conditioner?	Furnace Quantity	Installation Date	Furnace Cost	Rebate Per Unit*	Total Rebate

			<input type="checkbox"/> Yes (existing) <input type="checkbox"/> Yes (new) <input type="checkbox"/> No <input type="checkbox"/> Unknown			\$	\$50	\$

Total Rebate Amount \$ _____

TERMS AND CONDITIONS

1. ELIGIBILITY

Rebates are available to non-residential electric customers of the Utility. All products must be in use in facilities in the Utility service territory.

2. APPLICATION PERIOD

The program is offered January 1 through December 31 of the respective calendar year. Due to limited funding, this rebate offer can be withdrawn at any time without notice, and is available on a first-come, first-serve basis. All projects must be pre-approved by the Utility to qualify for a rebate.

3. INSPECTION AND VERIFICATION

The Utility reserves the right to inspect the Customer's facility through on-site visitations before and after new equipment installation to verify rebate eligibility.

4. INSTALLATION AND REBATE AMOUNTS

Qualifying energy-efficient equipment installed and operational within six (6) months of the date of purchase is eligible for rebate. Additional time may be granted subject to the Utility's pre-approval. In no case will the rebate paid by the Utility exceed the purchase price of the equipment. The maximum rebate amount may be limited.

5. INVOICE AND PAYMENT

When the purchase and installation is completed, the Customer must notify the Utility and submit original invoices specifying the quantity and price of all materials purchased, the date ordered, installation costs, and applicable taxes. Invoice must include new furnace or ECM (for motor replacements) make, model, and serial number. After satisfactory review of the invoices and on-site verification, a rebate check will be issued to the Customer. Please allow 60 days from the date of on-site inspection for delivery of payment.

6. EQUIPMENT ELIGIBILITY REQUIREMENTS

New Furnace Installations:

Qualifying furnaces must be new and equipped with an Electronically Commutated Motor (ECM), Advanced Main Air Circulating Fan (AMACF), or equivalent. Qualifying furnaces are identified on the Air Conditioning, Heating, and Refrigeration Institute's (AHRI) Certificate of Product Ratings (found at www.ahridirectory.org) as being equipped with an Electronically Commutated Motor. A copy of the AHRI Certificate showing that information, or the manufacturer's spec sheet showing that the specific furnace model includes an ECM fan motor, must accompany this application.

Furnace Fan Motor Replacements:

The installation of an Electronically Commutated Motor (ECM) or equivalent in an existing furnace qualifies for a rebate. Documentation showing that the new motor is an ECM or equivalent must accompany this application.

7. TAX INFORMATION

The Utility will not be responsible for any tax liability imposed as a result of the rebate payment(s). Customers are advised to consult their tax advisors for detail. Customers must submit the appropriate Tax ID or Social Security Number on the application form.

8. DISCLAIMER

The Utility does not guarantee that the implementation of energy-efficient measures or use of the equipment purchased or installed pursuant to this program will result in energy or cost savings. The Utility makes no warranties, expressed or implied, with respect to any equipment purchased or installed including, but not limited to, any warrant of merchantability or fitness for purpose. In no event shall the Utility be liable for any incidental or consequential damages. Customers are solely responsible for the proper disposal of existing equipment. Consult the Minnesota Pollution Control Agency (MPCA) for details at (800) 657-3864.

9. ENDORSEMENT

The Utility does not endorse any particular vendor, manufacturer, product, or system in promoting this rebate program. Listing a vendor or product does not constitute an endorsement, nor does it imply that unlisted vendors or products are deficient or defective in any way.
