This permit is valid for open burning as allowed and specified in Minnesota Statute 88.16, Minn. Uniform Fire Code, and local ordinances. The permittee is granted permission to burn the above described materials at the specified location during the dates and times listed above.

Application Requirements:

I Agree:

- To keep this fire under control and to assume responsibility for all damages and costs that may result from burning done under this permit.
- To attend this fire until completely extinguished.
- Not to burn if there is a practical alternative method for disposal of the material such as chipping or composting.
- To use a clean burning device to start the fire.
- Not to burn paper or cardboard except as provided by Minnesota Statutes 17.135.
- To completely extinguish the fire immediately if this permit is revoked.
- To have this permit available at the burn site for inspection at all times.
- That prevailing wind **must** be away from nearby occupied buildings. 5 MPH or less is ideal.
- Not to allow fires to generate a large amount of smoke.

Application Submittal Requirements:

1. Provide site map (see attached page) indicating location of the burn and adjacent buildings and utilities.
